## HILLTOP FARM

CLEVELAND, TEXAS

### LOCATION:

Hilltop Farm is located 11 miles from Cleveland on Farm to Market Road 1725. From Highway 59 out of Houston turn left on State 105, cross E. San Jacinto River Bridge, turn right on FM 1725 and proceed 10 miles. Hilltop Farm is located on left side of road. From Highway 75 out of Houston turn right at State 105 in Conroe, proceed to FM 1725 just prior to entering Cleveland; turn left on FM 1725 and come 10 miles.

Hilltop Farm is located in the beautiful Sam Houston National Forest, one of the four Forest areas set aside in Texas. Comprising more than 52,000 acres this is a wonderland of beautiful pines, stately magnolias and hardy oaks. Dogwood, Redbud, and Wild Jasmine are a breathtaking sight in the Spring. A glorious riot of color in the fall. Deer, wild game and birds abound in this Nature's Paradise. Spring comes early in these parts so when you visit Hilltop Farm bring your walking shoes, binoculars, lunch and lots of time. You will want to visit other areas in the Forest and feast your eyes. A visit to Hilltop is not just a visit to a Herb Farm, but rather a day of relaxation to be spent communing with God's World. A rather rare treat wouldn't you say?

We have other rare and unusual herbs not listed in this catalog.

We stock Crinums, unusual fruit and nut trees, shrubs including Camellias and Azaleas. We grow bedding plants of both perennials and annuals not usually found in the Garden Mart. All bedding plants in 2 1/2" peat pots. If you are searching for the unusual we might grow it.

We maintain a small inventory of Old Roses, and can obtain any you have been searching for.

## HILLTOP FARM PRODUCTS

All our Herbs are grown under Natural Farming practices as well as our Fruit and Vegetables. We have fresh fruits and vegetables available at the Farm in season. Frozen vegetables and Herbs are available at the farm most of the year.

Each year some of the "Bounty of the Farm" is preserved, canned and pickled all under strictest conditions to insure a quality product. All items are seasoned to perfection with our own fresh herbs. Many of these items are from age old formulas, and are not likely to be found at the " Super Market ". Our pickles, preserves, jellies, and canned goods take Blue Ribbons at the County Fairs year after year. They are GOOD not only because we make them GOOD, but because we begin with Superior quality fruit and vegetables

Our dried herbs are all new crop. We carry no herbs over from year to year. We anticipate our needs, properly dry without artifical heat, hand strip and rub each herb with loving care for finest flavor. Our Gulf Coast area produces an early growing season, and weather conditions are perfect for drying and curing. This is not a top secret, and we'll show you how to dry and cure your own herbs. You will enjoy having a jar to share with friends.

Herbs and Seasonings: Minimum order 6 Jars

Pickles, Preserves, Jellies and other Products:  
Minimum order \$ 2.00

Frozen Herbs:

A complete assortment of frozen herbs are  
available at the farm with special packing

All of the above items and many others are  
available beginning March 1st each year as  
the season progresses. Place your order NOW  
to insure having the " Delights " you love.  
We prepare only a limited amount and do not  
carry a large stock of these bounties from  
the soil.

All Jams, Jellies, Conserves, and Preserves are  
made without artificial pectin wherever possible.

## WARRANTY:

Our replacement policy on plants is liberal, but because of the impossibility of guaranteeing growing conditions, we cannot be responsible for more than the list price of plants..but if you are not satisfied with our plants or products tell us...if you are satisfied tell others..we appreciate the opportunity to consider you a patron.

## SHIPPING:

Please add \$ 1.50 for packaging and postage on plant orders weighing less than 10 lbs. Our plants are grown in 4" Clay pots. These pots will be removed from plants going beyond 200 miles. Shipments within the State of Texas will be shipped via Bus where practical. Plants will arrive in hours instead of days. Seeds are postpaid on orders of \$ 1.00 or more.

Garden Club Program Chairman : PLEASE NOTE

Set a Date in Your Year Book!

Garden Club Field trips are scheduled from late March until the end of June, and again during September, October and November. Mrs. J.P. Hill is available for lectures and programs during the fall and winter months. Bookings may be scheduled by writing to Hilltop Farm. Visitors are always welcome, however if your group is large a scheduled date will insure proper attention.
